ABOUT US

Steton Associated Works are a nationwide hoarding and fencing company based just off Junction 4 of the M20, with quick access to London and the surrounding areas.

With over 40 years combined experience in the construction industry we specialise in all types of hoarding, fencing, railings and gates.

Steton provide a 24-hour emergency call out service. We have a workforce of 45 plus site staff, and not to mention the warehouse and office staff to ensure all our customers' needs are met.

Steton hold accreditations such as CHAS, SMAS and Constructionline we also have a Platinum award for 100% workforce CSCS certified. We are fully insured and certified with THSP.

OUR AIM

Since we established in 2002, Steton's aim as a business was to be able to provide our customers with quality in service and support; to hit the deadline of our customer's needs, to achieve their goals and exceed their expectations, without compromising on quality. We have collected many 'Pride in the Job' awards along the way.
